## **EDITORIAL NOTE**

We are pleased to present International Journal on "Technical and Physical Problems of Engineering" (IJTPE) in English and electronic print published seasonal periodically by the partners of International Organization on "Technical and Physical Problems of Engineering" (IOTPE) including Institute of Physics of Azerbaijan National Academy of Sciences (Baku, Azerbaijan), Azerbaijan Research Institute of Energetics and Energy Design (Azerenerji JSC, Baku, Azerbaijan), Cleaner Production and Energy Efficiency Center (Baku, Azerbaijan), Nakhchivan State University (Nakhchivan, Azerbaijan), Seraj Higher Education Institute (Tabriz, Iran), Nakhchivan State University (Nakhchivan, Azerbaijan), Taba Elm International Institute (Tabriz, Iran), Gazi University (Ankara, Turkey), Istanbul Technical University (Istanbul, Turkey), Isik University (Istanbul, Turkey), Van Yuzuncu Yil University (Van, Turkey), Istanbul Rumeli University (Istanbul, Turkey), University of Pitesti (Pitesti, Romania), University of the Basque Country (Bilbao, Spain), Near East University (Lefkosa, Northern Cyprus) and Ostfold University College (Fredrikstad, Norway).

The IOTPE organization is a scientific association, founder and holder of International Conferences on "Technical and Physical Problems of *Power* Engineering" (ICTPE) have been held from 2002 to 2012. The ICTPE Conferences name and topics are improved to International Conference on "Technical and Physical Problems of *Electrical* Engineering" (ICTPE) have been held from 2013 to 2019.

Finally, the ICTPE Conferences name and topics are improved to International Conference on "Technical and Physical Problems of *Engineering*" (ICTPE) in 2020 Conference to cover subjects in all fields and topics of Electrical Engineering and have been held till now.

The IOTPE organization is generally managing and performing a set of scientific-executive affairs to holding International Conference of ICTPE, publishing International Journal of IJTPE and directing International Enterprise of IETPE.

Successful organizing and holding ICTPE conference and publishing IJTPE journal indicates close friendship and scientific collaboration of the scientists and researchers of member countries in engineering field development between the countries. The importance of holding ICTPE conference and publishing IJTPE journal are mutual understanding and recognition between the organizer countries through scientific, social and cultural

development where yields increasing international cooperation in scientific areas.

Furthermore, the importance subjects of ICTPE conference and IJTPE journal are related to the opportunity for researches and scientists from different countries to clarify and discuss the latest and mutual research achievements and improvements as well as generalization of the internationally obtained results in the area of engineering and new technologies.

The conducting of ICTPE conference and IJTPE journal are based on important principle of the cooperative relationship between science and industry. This relationship is a basis for the activity of contemporary engineering companies. It is well known that important technical advance is possible only due to achievements of fundamental science.

Publishing IJTPE journal is getting increasing importance for cooperation of researchers and scientific centers of different countries. We strongly believe the journal provides the establishing scientific relationships and also increase the cooperation of east and west countries on the subject of engineering fields and applying the new technologies on solving technical and physical problems.

By the mean of IJTPE journal publication, the cooperation with the partners from the involved countries and also all of the worlds will be fostered. It is the main objective to enhance the level of multilateral exchanges, the involvement of authors in developing and improving the scientific research.

The issues of IJTPE journal are registered, cited and indexed in some scientific organization and databases such as Elsevier-Scopus.

We will do our best to disseminate the journal's results and forward to the possible technological transfer of the accumulated knowledge of the scientific contributions of the authors.

Finally, we wish to express our gratefulness to all the authors and scientists from all over the world who have scientific reports in preparing the transactions published in the journal.

### **Editors-in-Chief**

**Academician Arif Mamed HASHIMOV**  
**Prof. Naser MAHDAVI TABATABAEI**  
**Prof. Nicu BIZON**

**Academician Arif Mammad HASHIMOV**  
**Secretary Academician of the Presidium of**  
**Azerbaijan National Academy of Sciences**  
**Baku, Azerbaijan**

Academician **Arif Mamed HASHIMOV**, Director of Institute of Physics of Azerbaijan National Academy of Sciences (Baku, Azerbaijan), has appointed to a new higher position as **Secretary Academician of the Presidium of Azerbaijan National Academy of Sciences**.

We heartily congratulate Academician Arif M. HASHIMOV on his higher position. We are wishing all the success and prosperity in his new obligations and commitments. It is the honor to note that he has taken impeccable leadership and significant contribution in establishment of the ICTPE Conference, IJTPE Journal and IETPE Enterprise. No doubt that his new achievements will open valuable opportunities and capacities for our forthcoming joint activities in the future.

He is also one of the founders and chairman of the annual International Conference on "Physical and Technical Problems of Electrical Engineering" (ICTPE) which is organized and supported by International Organization of **IOTPE** with scientific partners from **Azerbaijan, Iran, Turkey, Romania, Spain, Northern Cyprus and Norway** since 2002. He and his colleagues developed their joint scientific cooperation and released International Journal of **IJTPE** and also published books in International Enterprise of **IETPE** all under supervision of International Organization of **IOTPE**.

We extend our sincere congratulations on new academic position of Academician Arif M. HASHIMOV and wish him good health and also happiness in all his scientific and teaching activities and new creative achievements.
